

WELCOME TO

Spring OPEN HOUSE

CLEVELAND STATE UNIVERSITY
SATURDAY, APRIL 26, 2025

President's Message

Welcome to our Spring Open House!

During your visit today, I encourage you to take a look around our beautiful, urban campus and get a feel for what our students experience here at CSU. Join a campus tour and check out the academic spaces our students use daily. In addition to classrooms, study and recreation areas, you'll see spaces like our research labs, where students regularly support our world-class faculty in their research and gain hands-on experience. I hope you'll have a chance to see our dining spaces, performing arts halls, maker spaces and medical device labs. You may even see something that will spark a new interest in an area of study you hadn't thought about before!

I also encourage you to follow your curiosity and ask plenty of questions during your time on campus or in the weeks that follow. After all, this is your future! I and all of my colleagues want to help you make the absolute most of it. At CSU, our primary goal is to support your journey and provide you with the guidance and tools you need — like academic coaching, tutoring and academic support, and health and wellness services — to succeed and thrive as a student.

During your time on campus, you just may begin to feel that you're in the right place — that you can launch your future here. I hope so! We'd love to welcome you back soon as a CSU Viking.

Enjoy your day. Stay in touch.

Warm regards,

Laura Bloomberg, Ph.D.
President
Cleveland State University

Spring OPEN HOUSE

Please feel free to attend only the events that interest you at your leisure.

CSU volunteers are wearing green shirts. Please ask them for assistance if you need directions or have questions about today's events.

9–10 A.M.

WELCOME PRESENTATION

Music and Communication (MU) Waetjen Auditorium

Our welcome presentation will kick off your morning. Learn about CSU, the application timeline and hear from current students. We will also go over the Open House schedule and give suggestions for the day. Use the create-your-own-schedule insert to note items that interest you and plan out your day.

ALL DAY EVENTS *stop by anytime*

CAMPUS TOURS

Tours depart from the Student Center (SC) Atrium every half hour. [See page 12](#) for the tour route and information about residence hall, library and Arts Campus tours.

CSU RECREATION CENTER

The CSU Rec Center (RC) is open to prospective students and their families free of charge today.* Facility tours are available per request at the front desk of the CSU Recreation Center. Visitors receive a 20% discount on merchandise at the Pro Shop.

**VALID STATE-ISSUED ID
REQUIRED FOR ENTRY*

FINANCIAL AID HELP

Have financial aid questions?

Stop by the All-in-1/Financial Aid Campus Resource Fair table located in the Student Center (SC) Atrium or visit the All-in-1 office in Berkman Hall (BH) 116.

PLACES TO EAT

Hungry? Visit one of our on-campus locations to satisfy your cravings!

Viking Public House

7 a.m.–11 p.m.

Chick-fil-A

Student Center (SC), 1st floor
7 a.m.–4 p.m.

Starbucks

Student Center (SC), 1st floor
7 a.m.–2 p.m.

Viking Marketplace*

All-you-care-to-eat dining hall
Student Center (SC), 2nd floor
8 a.m.–7 p.m.

**\$8 AT THE DOOR WITH YOUR
SPRING OPEN HOUSE NAMETAG*

VIKING OUTFITTERS

20% discount coupon for open house visitors. Please show your Open House nametag to the campus store staff to receive your coupon. Viking Outfitters is open from 9 a.m.–3 p.m. and is located on the first floor of the Student Center (SC).

NEXT STEPS STATION

*Student Center
(SC) Atrium
Computer Lab*

Complete the application for admission, accept your admission and pay your enrollment fee, and sign up for orientation with the help of our Admissions staff.

10 A.M.–2 P.M.

INFORMATION SESSION

descriptions

COLLEGE 101

Learning about a college education can be as confusing as learning a new language or visiting a foreign country. This session breaks down the basic structure of a university, helps you understand the parts involved in earning a degree and explains some of the terminology you will encounter on any college campus.

EDUCATION AWAY: STUDY ABROAD AND NATIONAL STUDENT EXCHANGE OPPORTUNITIES

Join us for a talk on the benefits of incorporating a study abroad program or National Student Exchange semester into your college experience. Information will be provided on program options, how to access financial aid and scholarships, and much more! Ample time will be left at the end for questions. Presented by Julie Good, Manager of International Programs (j.a.good88@csuohio.edu).

JACK, JOSEPH AND MORTON MANDEL HONORS COLLEGE

This information session is for intellectually curious and high-achieving students interested in a challenging academic experience in a small-college environment within the larger university. Learn more about the Honors College program and admissions requirements.

INTRODUCTION TO FINANCIAL AID

Learn about the financial aid application process, the cost of higher education and different types of financial aid.

PRE-PROFESSIONAL @ CSU: EXPLORING LAW AND HEALTH CAREERS

Do you have educational goals that extend beyond your bachelor's degree (think: law school, medical school, clinical mental health counseling, dental school, etc.)? While we know it might feel a little early to be thinking about life after you graduate from Cleveland State, the pre-professional team in the Office of Career Development and Exploration are here for you from the minute you step foot on campus. We serve all students — prospective through alumni — who are seeking entry into professional schools by providing resources, application assistance, mock interviews and by supporting individual student goals.

STRESSED ABOUT PICKING A MAJOR? LET US HELP!

Selecting an academic major is one of the most difficult aspects of the college experience. This session dives deeper into myths and misconceptions about majors, the relationships between majors and careers, and important factors to consider when deciding. If you're currently exploring options, or even if you think you already have one decided, allow our first-year advisors to share their wealth of information and resources with you.

STUDENT ENGAGEMENT AND FINDING YOUR PLACE AT CSU: RESOURCES AND SUPPORT FROM DAY ONE

Navigating college can be challenging, but at CSU we're here to support you every step of the way. Whether you're looking for resources, a sense of belonging or opportunities to connect with others, Cleveland State has a variety of centers and offices to help. Join us to learn about key resources like the CARE Team, LGBTQ+ Center, Marejoyce Green Women's Center, Veteran and Military Success Center, Lift Up Vikes! Food Pantry and Resource Center, and more. Plus, discover all the ways you can engage with the CSU community through campus events, Greek life, student organizations and professional networking opportunities. Whether you're on campus often or just a few hours each week, there's something for everyone to make the most of your experience at CSU.

STUDENT HOUSING OPTIONS

We know that CSU students have many choices regarding where to live during your college years. Please join us for information about living on campus and see why we think campus living is an important part of your college experience. We have a fantastic selection of residential communities that offer a wide array of amenities to meet your needs. Learn about your options, what's included in our communities and estimated expenses for Euclid Commons, The Edge and The Langston.

TRANSFER TO CSU

If you're thinking about transferring to CSU from another college or university, attend this session to learn more about the transfer application process, scholarship opportunities and resources available to help make your transition to CSU a success.

COLLEGE INFORMATION

sessions

COLLEGE OF ARTS AND SCIENCES

The College of Arts and Sciences provides foundational coursework to ALL students at Cleveland State, regardless of major. **Nearly 200 full-time faculty and over 2,000 undergraduate students in the arts, humanities and sciences** call the College of Arts and Sciences home. Our impressive variety of undergraduate majors and accelerated master's programs feature dynamic hands-on experiences and the opportunity to work closely with faculty who are innovators in their fields. Find yourself in the "and" of Arts and Sciences!

SEE PAGE 12 for details about our Arts Campus tour which includes a look at the Department of Art and Design, Department of Theatre and Dance and the School of Film & Media Arts.

10–11 A.M. **STUDENT PANEL**

Berkman Hall (BH) 201

Join us to hear directly from our undergraduate students about their experiences in the College of Arts and Sciences!

11 A.M.–NOON **SCIENCE LAB TOUR**

InnerLink outside Berkman Hall (BH) 201

Meet in the InnerLink, just outside Berkman Hall 201, to begin the tour of our science labs, including biology, chemistry and physics.

MONTE AHUJA COLLEGE OF BUSINESS

We are accredited in business and accounting by the Association to Advance Collegiate Schools of Business (AACSB) International — a distinction shared with fewer than 5% of business schools worldwide.

The Monte Ahuja College of Business prepares its graduates for professional careers in business, government and nonprofit organizations by offering three types of business undergraduate degrees and various major programs. We require students to explore the world of business in society, develop managerial, technical, ethical and critical thinking skills, and understand the roles and responsibilities of individuals as citizens, managers and professionals.

SESSION ONE: 10–11 A.M.

SESSION TWO: 11:30 A.M.–12:30 P.M.

EXPLORE THE WORLD OF BUSINESS AT THE MONTE AHUJA COLLEGE OF BUSINESS: OUR EDUCATION, OUR INTERNSHIPS, OUR SCHOLARSHIPS AND OUR RESOURCES

Monte Ahuja Hall (BU) 118

This session will highlight our undergraduate business majors, minors and certificate programs. In addition, the session will discuss career engagement and internship experiences that support our business education and support students with career and professional development in preparation for life after graduation. Also learn about student services to support completion of degree programs and meet current students.

12:30–1:30 P.M.

MONTE AHUJA COLLEGE OF BUSINESS TOUR

Monte Ahuja Hall (BU) First Floor

Gather in the main area of the first floor for an advisor-led tour of our academic building! You'll explore academic centers, computer and ideation labs, study lounges and more. Learn why being a business student at CSU is a top-notch experience.

WASHKEWICZ COLLEGE OF ENGINEERING

Engineering students learn in state-of-the-art classrooms and labs, where professors draw on engineering expertise and incorporate design projects from local companies into the ABET-accredited curriculum. Students participate in 22 active engineering student clubs and prepare for their future careers in the integrated co-op program with organizations such as NASA, Parker Hannifin Corporation, Cleveland Clinic and more. The college offers a 4+1 joint bachelor's + master's degree option and tremendous student support inside and outside of the classroom.

SESSION ONE: 10–10:30 A.M.

SESSION TWO: 11:30 A.M.–NOON

COLLEGE OF ENGINEERING OVERVIEW

Washkewicz Hall (WH) 405

Learn about our integrated co-op program, opportunities for student engagement and academic support, engineering student organizations and more. Following this overview, we will take anyone interested through our college's labs, makerspace, E-Sports facility and instructional classrooms.

SESSION ONE: 10:30–11 A.M.

SESSION TWO: NOON–12:30 P.M.

COLLEGE OF ENGINEERING LAB TOURS

Washkewicz Hall (WH) First Floor Lobby

Directly following the College of Engineering Overview, we will go inside labs for each engineering discipline to learn about our various engineering majors, see college facilities such as the Dan T. Moore Makerspace and E-Sports Arena and Lounge, share some of the research going on in our college and view student design projects.

COLLEGE OF HEALTH

The College of Health is comprised of the departments of Communication Sciences and Disorders, Health Sciences and Human Performance, Music Therapy, Occupational Therapy, Physical Therapy, and the schools of Nursing and Social Work. **Our undergraduate and graduate degree programs are designed to prepare students for a variety of health-related careers** utilizing classroom instruction, interactive laboratory experiences and real-world practice through field placements and clinical rotations with numerous partners throughout Northeast Ohio.

The college features state-of-the-art facilities, such as the Nursing Resource and Simulation Laboratory and our on-site Speech and Hearing Clinic. Students gain experience working with the latest technology in our motion analysis lab, human performance lab and our anatomy lab. Our dedicated faculty and staff provide individualized advising and mentoring from admission through graduation to ensure student success.

11 A.M.—NOON

COLLEGE OF HEALTH INFORMATION SESSION

College of Health (CH) 112

Join us for an information session where we will address the college's mission, highlight the strengths of our programs and describe how we engage within our community. Students will learn about academic opportunities, student support services, available scholarships, including potential funding sources for research, and service activities offered at CSU. Stay for breakout sessions following the presentation for opportunities to learn more about specific majors and programs, plus hands-on activities.

NOON—12:30 P.M.

MEET THE DEAN

College of Health (CH) 112

Dean Stephanie Brooks, Ph.D. would like to personally welcome all prospective students and their families! In this informal question and answer session, you'll hear directly from Dean Brooks about the exciting activities, programs and opportunities for students in the College of Health including career exploration, research experiences and professional networking opportunities.

JACK, JOSEPH AND MORTON MANDEL HONORS COLLEGE

Academically talented and intellectually curious students benefit from being part of CSU's large, diverse campus in a dynamic downtown setting while enjoying the personalized attention, small class sizes and opportunities for undergraduate research and creativity typically associated with smaller schools. Our graduates are often found pursuing advanced studies and professional programs that lead to highly successful careers.

CAMPUS RESOURCE FAIR

Visit us at the Campus Resource Fair from 10 a.m.—2 p.m. in the Student Center (SC) Atrium.

11:15—11:45 A.M. INFORMATION SESSION

Berkman Hall (BH) 103

Join us for an information session to learn more about the Honors College program and admissions requirements.

LEVIN COLLEGE OF PUBLIC AFFAIRS AND EDUCATION

The Levin College of Public Affairs and Education offers **dynamic, hands-on programs focusing on public policy and management, community planning, criminology and sociology, teacher preparation, communication and public relations.** Our faculty and staff have an international reputation for conducting transformative research that improves public policies and expands opportunities for underserved people and communities. At the Levin College, we are committed to training and challenging students not just in the classroom, but through active engagement as change agents creating a just and equitable world.

10–11 A.M.

LEVIN COLLEGE OF PUBLIC AFFAIRS AND EDUCATION INFORMATION SESSION

Julka Hall (JH) 192

Join us for an information session where you can learn about the impactful majors offered at Levin College and connect with our esteemed faculty and current students. Discover how the School of Communication equips

students with the knowledge and skills needed for careers in public relations, integrated strategic communication, conflict management, health communication, digital journalism, and corporate communication. Learn how our Criminology and Sociology Department prepares students for social change careers, addressing critical inequities in our communities and in our systems of criminal justice and medical/mental health services. Our Teacher Education programs follow a collaborative, hands-on clinical model, where students gain real-world classroom experience, developing the skills necessary to become effective and compassionate educators. The nationally ranked Maxine Goodman Levin School of Urban Affairs helps students jump-start meaningful careers in public service and gain real-world experience in our Cleveland community.

Come learn how Levin College can help you make a difference in our community and beyond.

GUIDED CAMPUS TOUR

Walking tours of campus will be available throughout the day between 10 a.m.–1 p.m. Tours originate in the Student Center (SC) Atrium and travel to designated stops across campus. Our campus tour is a 45- to 60-minute experience.

10 A.M.–1:30 P.M.

EUCLID COMMONS RESIDENCE HALL TOUR

Tours of Euclid Commons (EC) depart every 15 minutes starting at 10 a.m. from the Welcome Center lobby. The residence hall tour is a 15-minute experience.

10 A.M.–2 P.M.

MICHAEL SCHWARTZ LIBRARY SELF-GUIDED TOUR

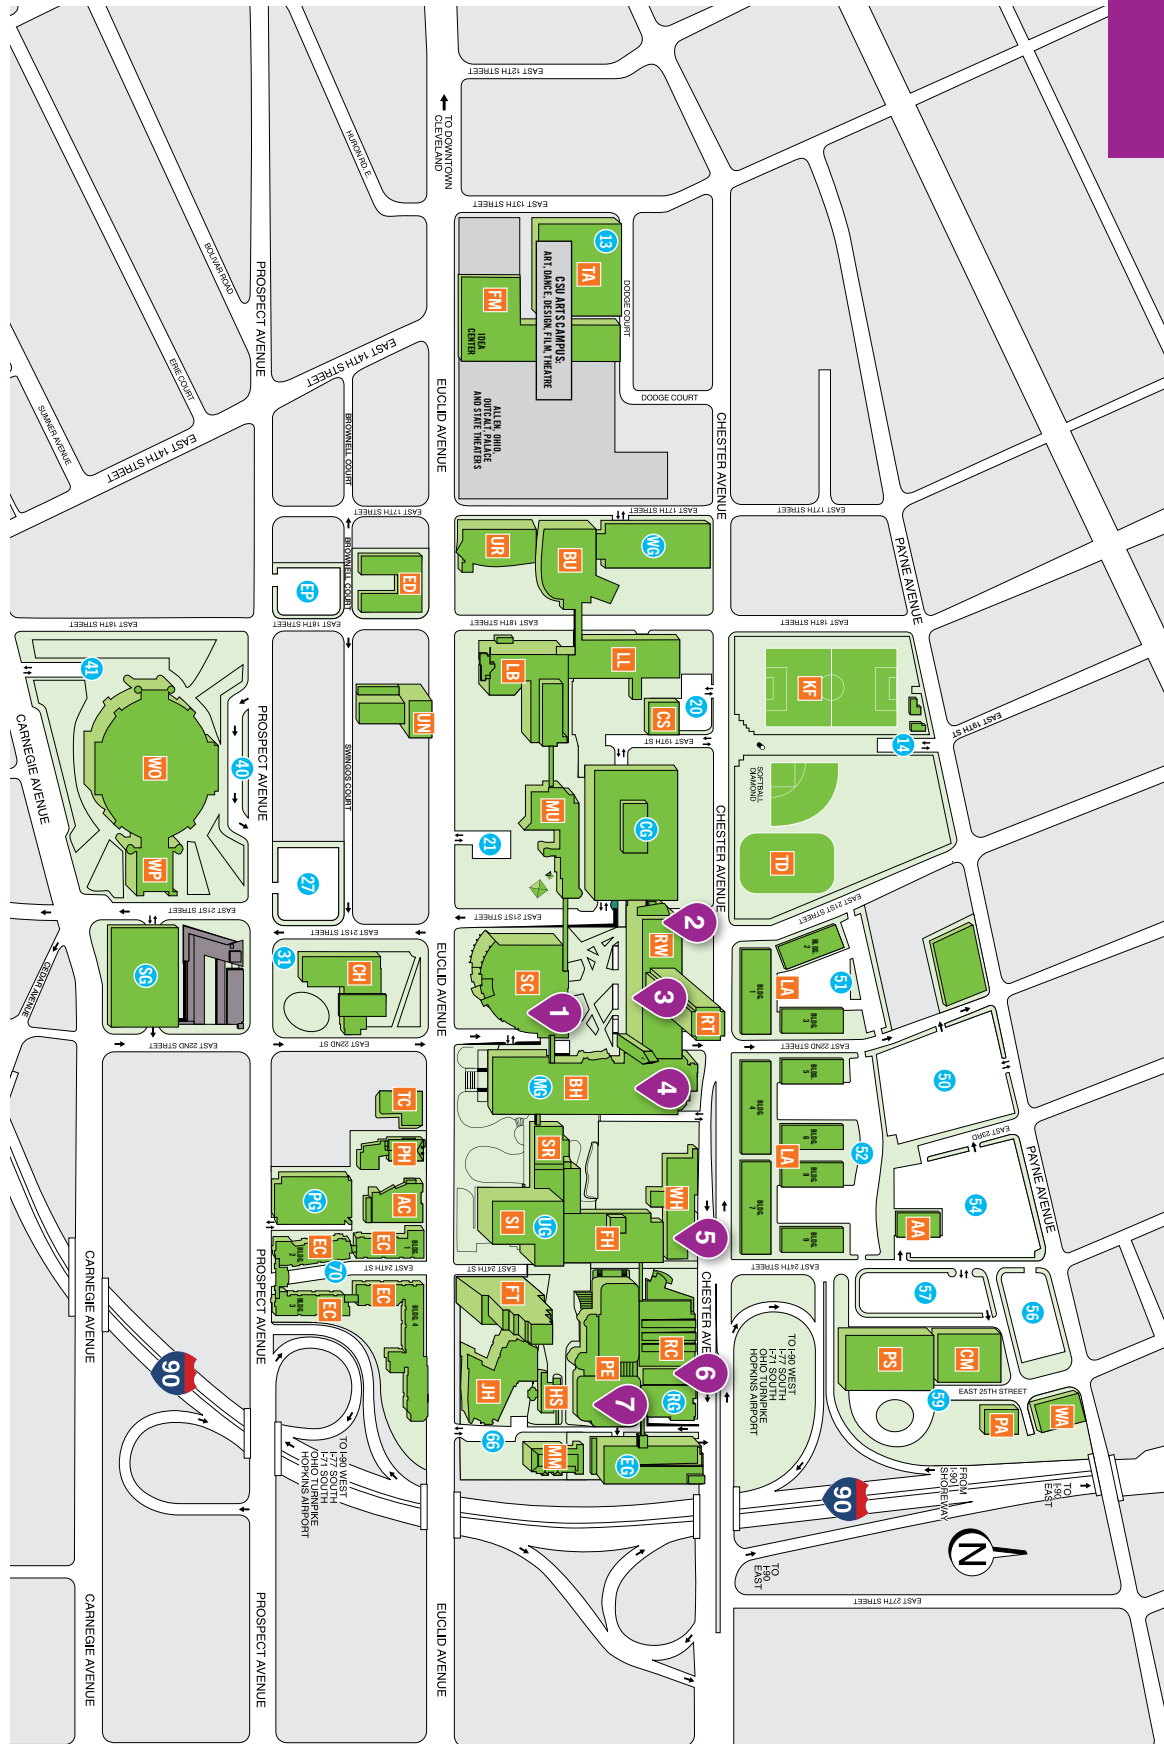

Take a self-guided tour of the library to learn about its services, resources, technology and facilities. Library staff will be available to answer questions.

11 A.M. AND 12:30 P.M.

ARTS CAMPUS TOUR

Meet in the Student Center (SC) Atrium for a tour of our Arts Campus in the heart of Playhouse Square, our nation's 2nd largest performing arts district outside of New York City. You will have the option to tour either our Theatre and Arts (TA) building or our School of Film & Media Arts. Our Theatre and Arts (TA) building is home to the Departments of Art and Design, and Theatre and Dance, where you'll view studio art spaces, design classrooms, dance studios, rehearsal halls and the costume shop. Our School of Film & Media Arts is housed on the top floor of Ideastream's Idea Center, where you will have an exclusive tour of Ohio's first standalone film school. Each tour is a 60- to 90-minute experience.
